Independent Examiner's Statement

Having examined the Association's accounting records and discussed them with the Association's Treasurer, I confirm that the financial statement reflects the Association's Income and Expenditure for the year ended 31 July 2024 and the accumulated surplus on 31 July 2024. It should be noted that the examination procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the accounts.
